THE BULLETIN

California State University, San Bernardino

Outstanding Professor Nominations Invited

the 1984-85 recognition, Chair Arlo D. Harris announced.

The process of selecting Cal State, San Bernardino's outstanding professor and its nominee for the two CSU honorees begins anew. The Outstanding Professor Selection Committee is now accepting applications for

Superlative teaching is the primary criterion in the selection of the award recipient at both levels. However, the information submitted to the campus committee and to the CSU selection panel also includes evidence of professional growth, publications, and recognition in the field. Any member of the university community may nominate a tenure-track faculty member of any rank or an administrator who holds faculty status, Dr. Harris said.

Complete details on the criteria and the procedures are available at department offices, the circulation desk at the Library, the Associated Students office, the information desk at the Student Union and the Alumni Affairs office. Completed nomination documents must be submitted to the Faculty Senate office, BI 21, by 4:30 p.m., Oct. 31.

Questions may be directed to the local selection committee which includes: Dr. Harris, Natural Sciences; Dr. Margaret Doane, Humanities; Ann Marie Hearn, Business and Public Administration; Dr. Lee Porter, Education; Dr. Edward Teyber, Social and Behavioral Sciences; Dr. J. C. Robinson, Associate Vice President for Academic Personnel; Helga Lingren, Alumni Assn.; and David Swedlove, Associated Students representative.

Past recipients of the campus honors include Dr. Robert O'Brien, now at the University of Oregon; Dr. Fred Newton, Psychology; Dr. Frances Berdan, Anthropology; and Dr. Robert Blackey, History. Dr. Berdan was named one of the two state-wide outstanding teachers in 1982-83.

Open Enrollment Period Will Close Monday

Monday, Oct. 15 is the absolute last day that changes may be made in health and dental plans under the open enrollment period. The Personnel Office may not accept forms for changes after 5 p.m., Monday.

Employees who wish to make any revisions in their existing plans--such as change of health or dental carrier, addition or deletion of family members--must have their papers in the Personnel Office before the close of business Monday. The open enrollment period also is for employees who did not sign up for a policy when they first were eligible. Anyone who has lost the worksheet distributed earlier may get another copy at the Personnel Office today or Monday.

All changes received by Monday will have an effective date of Dec. 1, 1984.

The state provides an open enrollment period once a year when employees may make changes in their health or dental coverage. New employees have a specific time period after their arrival in which to register for coverage.

Open House Monday In Evening Office

The existence and services of the Evening Office will be explained during the fall open house from 5:30 to 8 p.m., Monday and Tuesday, Oct. 15-16.

The Evening Office is located in PL 107, which during the day is the office for Services to Students with Disabilities. The office is reached from the outside deck on the east side of the Library.

Purpose of the open house, sponsored by the Associated Students, is to inform both students and faculty of its location and assistance available to evening students and faculty. Refreshments will be served.

Regular hours for the Evening Office are 5:45-8:30 p.m., Monday through Thursday. Associate Dean for Academic Programs Steve Prouty, who directs the service, is available in his office in AD 184 10 a.m.-5:45 p.m., prior to going to the Evening Office.

Civil Service Exams Help Available

Lupe Alvarado, a representative of the State Personnel Board, will be on campus Tuesday, Oct. 16 to provide information about state civil service examinations. Her visit, from 1 to 2:30 p.m. in the SUMP, is sponsored by the Student Affirmative Action Office and Services to Students with Disabilities.

Ms. Alvarado is particularly interested in talking with underrepresented groups and disabled students.

Recreational Hours Set For PE Complex

The campus swimming pool and facilities within the Physical Education Building are available for weekend open recreation from 1 to 5 p.m., Saturdays and Sundays during the next three weeks of October. The pool also may be used during specific hours on weekdays when classes are not being conducted. Details are available from the Physical Education/Athletics Office, Ext. 7561.

Employment Opportunities

(Details on bulletin board in Administration Building lobby.)

Los Angeles Community College District--vice president of academic affairs, \$44,824-\$55,783; and assistant dean of occupational education, \$37,986-\$47,268; apply by Nov. 9 for both positions.

San Diego County Office of Education--teachers needed in San Diego County Juvenile Court Schools Program, grades 7-12; \$15,729-\$25,020. Apply by Nov. 16.

The California State University, San Bernardino BULLETIN is published by the Public Affairs Office, AD 117, Ext. 7558. Items for publication should be received in writing by noon Tuesday.

Blood Drive To Be On Campus Tuesday

Credits in the campus Blood Reserve Fund will be replenished during the blood drive from 10 a.m. to 3 p.m., Tuesday, Oct. 16 in the Health Center lobby.

The university's blood reserve at the San Bernardino-Riverside County Blood Bank may be utilized by any member of the campus community and their immediate dependents. The Blood Bank sends its staff to campus periodically to seek blood donations to replenish supplies in the Blood Bank and the university's credit.

Donors must be in good health, weigh more than 110 pounds, and be 18 to 65 years old. They should not fast before donating. About 45 minutes should be allowed for registration, donating of blood and light refreshments afterward. Release time to participate is authorized for staff.

Appointments are not necessary. However, signups will be taken by Health Center staff members in advance. The campus sponsors of the blood drive are the Marketing Association and the Health Center.

Electric Doors Installed At 2 Library Entrances

Access to the Pfau Library will become easier for handicapped and other students when electric doors at the north entrance and the fifth-floor elevator entrance become operational.

Work should be completed by the end of this week or the beginning of next, according to Dennis Stover from Plant Operations. The \$13,169 project involved constructing glass sliding automatic doors in the space between the huge oak doors on the north end and automating the wooden doors at the elevator entrance on the east side.

Two sets of doors were needed on the north end, one through the outer wall of glass and the second from the passageway into the Library itself. The inner door is 44 inches wide and the outer is narrower, at 36 inches, because of structural steel restrictions in the building.

The project, which has been underway for six months, was done by campus craftsmen and Door Automation Co., Inc. of Anaheim.

To celebrate the facility, the Services to Students with Disabilities Office will sponsor a ribbon-cutting ceremony at 2 p.m., Wednesday at the north entrance. Faculty, staff and students are invited to stop by, said Dr. Theron Pace, director. Ice cream will be served in the disabled students office from 1 to 2 p.m. as part of the celebration.

Soccer, Volleyball Teams At Home Next Week

Next Wednesday all three Coyote teams face competition, with men's soccer and women's volleyball at home and cross country away.

The soccer squad hosts Azusa Pacific at 3 p.m. The Cal Tech volleyball team comes to the Coyote gym at 7 p.m. Cross country teams compete at Whittier at 3:30 p.m.

The only team at home this weekend is volleyball, which faces Life Bible Collete at 7:30 p.m. tomorrow in the gym. The soccer team goes to Fresno to play West Coast Christian and cross country has a day off.

International Programs Seek 1986-87 Directors

The CSU Office of International Programs is seeking applications from faculty interested in serving as resident directors of overseas study centers during 1986-87.

The resident director positions in Germany and Sweden are 12-month appointments. Directors in France, Italy and Spain serve for an academic year. Part-time appointments are made for Israel and Japan.

Appointments are made a year in advance so that faculty selected will have adequate time to plan for the time overseas. Deadline for submission of all materials is Dec. 15. Forms and information are available from Dr. Mireille Rydell, PL 201; Dr. Richard Rowland, SS 154 or the IP office at the CSU headquarters in Long Beach. The resident director handbook may be inspected in Dr. Rydell's office from 2:30-4:30 p.m., Monday and Wednesday.

Professional Activities

A chapter by Dr. Edward M. Bernal (Education), titled "Bias in Mental Testing: Evidence for an Alternative to the Heredity-Environment Controversy," has been published by Plenum Press in Perspectives on Bias in Mental Testing.

Dr. Michael Clarke (Public Administration) presented a paper, "The Reagan Administration and Anti-Discrimination Policy," to the Royal Australian Institute for Public Administration Sept. 27. It was also published in the proceedings of the conference.

Dr. Helene Koon (English) is presenting a paper, "Tribulations and Triumphs in Teaching Restoration and 18th Century Drama," to the Midwestern American Society for 18th Century Studies at the University of Illinois, Urbana, today.

Lance Masters (Marketing) presented a paper, "Marketing Effectiveness through Strategy Control," at the annual joint meeting of the Evaluation Research Society and the Evaluation Network Oct. 10-13 in San Francisco.

Noteworthy

Dr. Tom Rivera (Educational Support Services) has been nominated for a \$750 Kellogg Foundation scholarship for participating in the Education Policy Fellowship Program of the Institute for Educational Leadership, Inc.

Community Service

Dr. Frances Berdan (Anthropology) spoke to the Damascus Masonic Lodge in San Bernardino Oct. 2 on the topic, "Aztec Culture."

Michael Clarke (Public Administration) was the keynote speaker at the Caboolture, Queensland Chamber of Commerce annual banquet in September. He discussed Northern Ireland.

Dr. G. Keith Dolan (Education) spoke to the Downtown San Bernardino Kiwanis Club on "There's No Business Like Sports Business" on Sept. 19. He is addressing the Crestline-Lake Gregory Rotary Club on the same topic today in Crestline.

Frank Slaton (Computer Center) spoke on "Careers in Robotics" at the fifth annual San Diego Computer Fair Sept. 30.

Congratulations

The university community congratulates Janet Johnston (Plant Operations) and her husband, Norm, on the birth of their first child, a daughter, Brandelyn Renee, Oct. 7 in Riverside. The baby weighed 7 pounds 9 ounces.
